No. SETE 15/2009/2333-35

Dated Guwahati, the 21st October'2017

NOTICE

It has come to our notice about some news items that Diploma under SCTE, Assam will be awarded on the basis of the practical marks alone and with zero mark in theory, which is not true at all. It has been clearly stated in the proposed new evaluation system that students have to pass in both theory and practical separately.

The comprehensive reform agenda for Aligning Polytechnics towards Skill and Competency based learning is undertaken as per the recent guidelines and policy of AICTE/ MHRD/ Govt. of India only and will in no way affect the approval of the state polytechnics by the AICTE.
